

Developing and Leading a Primary Mathematics Week

This course is designed to raise standards in mathematics in primary schools by:

- Raising the profile of mathematics and engaging staff, parents, carers and the wider community in mathematical thinking
- Providing CPD opportunities to further develop subject knowledge and pedagogic skills for teachers
- Supporting teachers to develop the strategic knowledge and skills required to lead the mathematics week and support and motivate colleagues

Who should attend?

Teachers possessing a first degree and QTS status

Dates (Students should attend the three whole day sessions)

Bognor Regis Campus, University of Chichester

Thursday 11th November 2010

Wednesday 13th January 2011

Thursday 24th March 2011

Accreditation:

The successful completion of a course study journal and written summary based on the planning and evaluation of the impact of the mathematics week on teaching and learning will lead to the award of 20 M level points for module MA09 Independent Studies. (The submission date will be Friday 22nd July 2011).

Who teaches on the course?

Anne Harvey, Principal Lecturer in Mathematics Education
